CALLAN  
for kids

Fast, fun learning for  
kids across the globe

## Fast, fun and effective

---

- builds in children the confidence to speak rather than just understand
- maintains children's attention through engaging activities
- guarantees lively and animated classes
- ensures correct use of language in a fun and supportive atmosphere
- high-quality content and lots of revision

*"I am so pleased with Callan for kids; it really does work! I was so surprised at how 7-year-olds who can't really read yet in Italian can learn so quickly using this Method."*

**Inclusive for children of all languages and abilities – no time to be shy, everyone is involved**

---

## Learning English is easy with Callan for Kids!

---

**It covers all language a child needs for tests at level A1 and level A2 on the CEFR (Common European Framework of Reference) and a lot more besides!**

## Six fantastic stages to cover!

---

- beautifully illustrated student books
- colourful posters
- different activities in every book
- extra practice at home with the fun Callan App
- exciting characters help learning at every stage
